## Golf Club hits a hole-in-one with The Silvertops

Front man vocals Kinga; guitar & vocals Mark Smith; bass guitar & vocals Neil Hodgson; keyboard "the Rev" Mick O'Connor; drums Rob King

Golf was cancelled on Saturday due to the performance of the Silvertops in the clubrooms during the afternoon. The music was great, and the event was well-attended. It was pleasing to see some new faces on the day, as our reputation for attracting quality artists to a local venue spreads. The day was profitable for us, and we are getting closer to being able to making some considerable improvements to our facilities. Thanks to Jan Stephenson and fellow organisers, and a big thankyou to club members and social members who worked so hard on the day. Special thanks must go to Dunolly Bakery and Dunolly

Quality Meats which made generous donations of food to help with catering for the event. We are also thankful for the continuing support of the Railway Hotel for supplying beer and other resources at prices advantageous to our club.

The Junior Golf Program continues each Sunday morning at 10am. All players are showing improvement each week, and are having fun as well. Please see Jamie or Ian if you would like your child to attend, or just rock up next Sunday at 10am. Free drinks and party pies after each session!

**ROSIE'S RAMBLE**

I had a very enjoyable morning today. I went over to the big morning tea at Laanecoorie. I've been meaning to go for some years, and have finally been. It was pretty nippy outside — somewhere about 10 degrees — but nice and warm in the hall. There was a raffle — I missed out this time — and an auction of beautifully-presented items donated to the cause. The food was delicious too.

Great name for a rug shop in Kangaroo Flat — Rug Addiction.

I was told that the best way to cut a vanilla slice, (after my wonderings a while back) is to lay the cake on its side and cut it that way. It works — you get two neat pieces with all the filling intact. Thanks Sandra. I still don't know how they cut the slabs at the Bakery — I suppose the sensible thing to do is to go and ask.

I like to steam most of my vegies, but find it makes a lot of washing up as the steamer has a few bits and pieces. Sister Ramble told me she uses her electric rice cooker to steam hers. I ratted around up the back of the cupboard, and there, right next to the seldom-used bread-maker, was mine. I tried it out as it has a rack to put the vegies on, and it works a treat — with the bonus of only one thing to wash. Sisters come in handy at times.

I planted out a trough of pansy seedlings during the week, and left them where the rain watered them. Today I walked past and noticed what looked like a pansy lying in a pot near the trough. It was — and a mystery as to how it was shifted. The only thing I can think of is that one of the resident magpies spotted the new greenery and decided to try it for lunch. Didn't fancy the flavour and thoughtfully put it in the pot nearby.

I found some toilet paper the other day that, according to the wrapper, is made from paper, not trees. Remarkable!! On further reading it seems that they remove and clean the tree fibres from used office paper, then make the loo paper from them. Truly a double use for the original trees — and, as they say, it is 100% recycled and good for the planet. Good on them!!

## LETTERS TO EDITOR

Dear Editor,  
Re: Volunteers

Volunteers are the backbone of many country communities and National Volunteers Week is an ideal time to acknowledge their contribution. Volunteers, across all ages and from all walks of life, freely give of their time, skills and resources to make our communities stronger. Through collective action, volunteers across Western Victoria work to create the kind and caring society that we all share and enjoy.

Volunteering extends across all areas of our community, from the arts, education, emergency services, sports and environment to health, community welfare, aged care and disability services. People who volunteer can see the positive difference their contribution makes, giving them an enormous amount of satisfaction.

Volunteering also provides a pathway to employment, by helping people develop skills, networks and work habits that can translate into paid work. Volunteering plays an important role in developing social connections, helping many people overcome loneliness in their lives. Many people also find that volunteering provides an outlet for exploring and developing their personal interests outside of the workplace.

I extend my sincere thanks to each and every volunteer in Central Goldfields Shire. By volunteering, you are making your community an even better place to live.

Jaala Pulford  
Member for Western Victoria

### Central Goldfields Shire to benefit from sporting grants

Four sporting clubs in Central Goldfields Shire are among 386 grassroots sports clubs across Victoria to share in more than \$530,000 in grants to boost their equipment, skills and administration expertise.

Labor MP, Jaala Pulford, today announced the clubs in Western Victoria that had successfully applied for funding in the second round of the Andrews Government's 2018-19 Sporting Club Grants Program. The grants provide clubs up to \$1,000 for new uniforms and equipment, up to \$2,000 to train coaches, officials and volunteers, and up to \$5,000 to improve operational effectiveness.

The grants include 31 initiatives to boost Aboriginal participation in sport with funding for uniforms, equipment and skill development, as well as travel for athletes, coaches, officials or teams that are required to travel to train or compete — whether it's a local competition or an interstate festival.

The local grants include;

- \$726 for Dunolly Bowling Club for new equipment.
- \$1,000 for Dunolly Horse Activity Club for new equipment.
- \$1,000 for Maryborough Golf Club for uniforms.
- \$910 for Maryborough Lawn Tennis Club for new equipment.

Ms Pulford said she was proud to support the development of local sport.

"The Labor Government is working hard to encourage and enable all Victorians to embrace a more active and healthier lifestyle so that people have every chance to realise their potential," she said.

"The Sporting Club Grants Program is giving grassroots sports clubs in Central Goldfields Shire the support they need to grow their ranks and help more people than ever play the sports they love," Ms Pulford said.

The Sporting Club Grants Program is part of the Labor Government's commitment to make sport more accessible and inclusive, increase local participation, stimulate local economies, and build sustainable sport and recreation and volunteer opportunities.

Since coming to office, including this latest round of funding, the Government has provided more than 3,600 Sporting Club Grants across the state, totalling more than \$4.9 million.

Jaala Pulford MP

### The Goldfields Historical Society - Dunolly Museum

The Dunolly Museum is the place to go to find out any information about the history

of the town. Our volunteers are always happy to research so that we can all be assured of the facts. Colin Sullivan is a tireless mainstay of the museum who really knows how to dig deep into the archives to get the facts from the fiction.

We have extensive records on the computer files about everything pertaining to this district. Pop in and say hello to our friendly team and learn more about this fabulous town we live in.

We could do with more volunteers – especially anyone who has computer skills. Extra volunteers would allow us to be open more regularly. We have a comfortable air conditioned workspace and a relaxed and friendly atmosphere.

We were fortunate in obtaining a Grant from the Maldon & District Community Bank, which will mean we can finish insulating and lining the ceiling to make it even more comfortable for our volunteers.

On another note, those history buffs, like me, who enjoy the SBS show "Who Do You Think You are?" will be interested seeing an upcoming episode featuring the Victorian goldfields, and will also see our President, John Tully, making an appearance.

Rachel Buckley, Secretary

The small world syndrome occurred at the Golf Club last Saturday when I went to hear the Silvertops. I told one of the friends at our table that I liked the lead singer. During a break Robbie King, a local musician I have known a long time, called me over to meet this lead singer whose name was Kinga. It turned out

that Kinga had known and played with my first husband, Dick Barnes and knew our family. It was a nice coincidence as Kinga had also known my late son, Jeremy.

**Coming Soon...**

The Dunolly Gilbert & Sullivan Society will be performing HMS Pinafore at the Dunolly Town Hall on Sunday 8th June at 2pm. Set this in your diary if you love the rollicking fun and jaunty music of Gilbert & Sullivan's operettas. You can sing along too, if you feel so inclined as scores will be provided. Tickets at door — \$25. Children under 12 free.

**Synopsis**

Since its premiere in 1878, Gilbert and Sullivan's wildly popular operetta H.M.S. Pinafore has delighted audiences with a nautically-tinged story of star-crossed lovers. The gentlemanly Captain Corcoran of the good ship Pinafore has a daughter, Josephine, who is in love with a lowly but gallant sailor named Ralph Rackstraw. The Captain forbids the marriage, wanting to match Josephine instead with the well-bred Sir Joseph, First Lord of the Admiralty. In the meantime, the Captain finds himself in nearly the same position as his daughter: his former nanny, Little Buttercup, falls in love with him, but he hesitates to reciprocate due to his higher social rank. The whole situation is turned on its head when Little Buttercup reveals a game-changing secret she has kept for decades. A rollicking farce with endearing characters, memorable tunes, and a hilariously happy ending, H.M.S. Pinafore is a classic, time-tested delight not to be missed.

After being prompted many times by Cynthia to write about my "escapades" I've finally decided to do so as I had this space to fill.

My first trip overseas was memorable for the fact that it almost didn't happen. My roommate, who is also called Susan, aka Sue, was well-travelled and decided we should go to Bali. She was starting her Indonesian leg. On applying for my passport, I found that I was not an Australian citizen! It appears that when my parents were naturalised, they were not advised that children needed to be listed on the documents so they too would be naturalised. So despite having voted and being on jury duty, for which I thought you had to be an Australian citizen, I was in fact still Italian.

The time was drawing near for our departure and I was frantically trying to get naturalised, but of course, bureaucratic red-tape put a kybosh on that. The wheels were turning very slowly.

So, I thought if I can't get an Australian passport, I'll get an Italian one. Ha ha!! That was even worse. I made application through the proper channels, but was stymied at every turn. They were constantly asking for more information and as this was before the time of speedy internet and everything had to be done by telephone (time differences) or snail-mail, I was about tearing my hair out in frustration.

The problem was my name change. Not from my maiden -to-married name, which I kept after my divorce, but my Christian name. I'd been christened Suzanna, but from early childhood had always used Susan, or my preferred, Suzy. According to the Italian consulate I couldn't have a passport in the name of Susan. It had to be as on my birth certificate i.e. Suzanna. Well, go ahead, says I. No we can't, says they. As you've been known by the name of Susan for so long we have to have documents to prove that you are the same person so need affidavits etc, etc.. Arrrgh!!! I was frantic. There were only two weeks before departure.

Fortunately at this time, Sue, my roommate, was being naturalised. She was English. She could use her British passport for travel, but she wanted to be an Australian citizen.

We attended the ceremony and while chatting at the refreshment table afterwards, I met a councillor from the St Kilda Council (where we were living and where the ceremony took place).

I told him of my woes and he said he would look into it. I gave him my details, but held little hope. However, the gods smiled on me, because three days before departure, I was issued with my Australian citizenship after a ceremony in chambers, and an emergency certificate to obtain my passport. Well I was at the office like a shot and with great relief received my passport on the spot.

I wrote a very heartfelt thank you letter to the councillor and happily set off on the first of my many journeys overseas.

Next time — what happened in Bali.

Susan Anderson

### Recognising our volunteers

For this week's National Volunteer Week, we recognised our volunteers from a range of Council services including Meals on Wheels, Social Support and Planned Activity groups, Pound, Central Goldfields Art Gallery, Maryborough Regional Library, L2P, Community Buses and Central Goldfields Visitor Information Centre with a special afternoon tea on Tuesday at the Art Gallery. We also recognised some of our younger FReeZA volunteers who helped out at the Maryborough Lions Club Market by running their own stall and selling bath bombs, tie dye clothing, candles, hair scrunchies, face painting and fun hair spray. Thank you to all of our volunteers who give up their time to deliver valuable services to the community!

### Go Goldfields and National Families Week

Go Goldfields took part in National Families Week this week. Go Goldfields celebrated natures' playground and the benefits of spending time in the great outdoors. Go Goldfields collaborated with families in our community to co-design messages that celebrate and remind families of the many positive reasons to make time to enjoy the outdoors and shared them via social media on the Go Goldfields Facebook page. It was exciting to share these beautiful messages reflecting the core theme of this year's National Families Week, 'stronger families, stronger communities', and what that means to members of our community. To view all seven messages, and to stay up to date with the latest Go Goldfields news, visit: [www.facebook.com/GoGoldfields/](http://www.facebook.com/GoGoldfields/)

### Health census here now

### Council Meeting

This month's Ordinary Council Meeting is on Tuesday 28th May, 2019 from 6pm at the Community Hub, Burns Street, Maryborough. The Agenda is available at: [www.centralgoldfields.vic.gov.au/councilmeetings](http://www.centralgoldfields.vic.gov.au/councilmeetings)

### New residents wanted for promotional film

Have you moved to the Central Goldfields Shire in the last two years and want to feature in an upcoming promotional film? If yes, then we'd love to hear from you! The Rural Promotion Program is visiting our Shire on Tuesday 28 May, 2019 to make a promotional film about our Shire and what makes it unique. If you are a new resident, have an interesting story to share or you want to share why you moved to Central Goldfields Shire, contact our Communications Department on 5461 0689 or [media@cgoldshire.vic.gov.au](mailto:media@cgoldshire.vic.gov.au)

### 2019-2020 Proposed Budget

The Proposed 2019-2020 Budget was endorsed at Tuesday's Ordinary Meeting of Council. It is underpinned by the Council Plan, which sets the strategic direction for Council. It reflects our vision to be a vibrant, thriving and inclusive community. You are invited to view and respond to the Proposed 2019-2020 Budget via written submission or in person. Written submissions should be submitted by close of business at 5pm on Wednesday 29 May 2019, with the opportunity for submissions to be heard at a special hearing at 5.30pm on Tuesday 11 June 2019 at the Community Hub, Maryborough. The Proposed Budget has a surplus and includes a \$10.29 million investment into key infrastructure projects and \$120,000 for community planning for eight townships.

For more information, call 5461 0610.

### Reconciliation Week

This week (27 May to 3 June) is National Reconciliation Week. The 2019 National Reconciliation Week theme is "Grounded in Truth, Walk Together with Courage".

According to Reconciliation Australia, National Reconciliation Week is an opportunity for all Australians to learn about our shared histories, cultures and achievements. It is also a chance to explore how everyone can contribute to achieving reconciliation in Australia. Council continues to commit to reconciliation activities, including flying the Aboriginal flag during Reconciliation Week and NAIDOC Week. Additionally, last year Council adopted the Welcome to and Acknowledgement of Country Policy, which assists Council in acknowledging the Traditional Custodians of the land at Council civic functions, business activities and Council publications. Council is also working on an Aboriginal Community Partnership Plan, and intends to work towards developing a future Reconciliation Action Plan. The partnership plan aims to further strengthen relations with Aboriginal and Torres Strait Islander members of our community.

### Active Living Census – now online

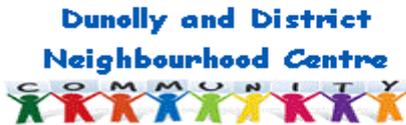

The Healthy Heart of Victoria 2019 Active Living Census is now available online. Residents are encouraged to visit [www.srcentre.com.au/ALC](http://www.srcentre.com.au/ALC) to complete the census, which will be available until 16 June. The aim of the census is to seek local and regional data on the community's health behaviours, activity levels, preferences and needs. The findings will be used to produce an overarching report for the Loddon Campaspe Region and individual reports that are unique to each of the six local government areas (including Loddon Shire). The census will only take a few minutes out of your day to complete and there's the chance to win some great prizes too. The census will also be delivered to more than 117,000 homes in the Loddon Campaspe region in coming weeks.

### Recycling tips

Having covered off a number of different topics related to recycling, this week I thought I would share some recycling tips from Sustainability Victoria. Remember, your recycling should be loose inside the bin, and keep recycling out of plastic bags. Plastic bags and other soft plastics (such as bread bags) should not be placed in your recycling bin. Textiles, including clothing and shoes can't go into the recycling bin and are considered to be contaminants. E-waste (any items which use cords and plugs or batteries) also can't be recycled through your bin. As mentioned in a previous column, you can dispose of your e-waste at any of Council's landfills and transfer stations during normal operating hours. Please note, computer monitors, laptops and TVs are subject to a fee as they contain toxic chemicals which require special handling. For operating hours, please visit [www.loddon.vic.gov.au/Live/Your-home/Garbage-and-recycling](http://www.loddon.vic.gov.au/Live/Your-home/Garbage-and-recycling) and click on "Landfill and transfer station timetable". I'll also be providing more information about the State Government's e-waste ban (which starts 1 July this year) in my next column.

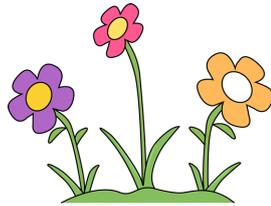

Separating your comingled waste (a broader term to describe every day recyclables) means you contribute to a circular economy through landfill diversion. Metals, gas and oils are not limitless. A circular economy is an alternative model that anticipates and designs for resources to be either safely returned to nature or back into systems where they can be reused or renewed.

Council's next Listening Posts are to be conducted during the following week. These will be held at Daisy Hill, Carisbrook, Talbot, Majorca and Maryborough on Tuesday 4th June and at Bealiba, Moliagul, Dunolly and Timor on Wednesday 5th June. Please see local press as well as Council's website or Facebook page for details. We hope that members of the community will see these posts as a chance to meet the Administrators and hear the latest updates from Council, also to voice any concerns they may have regarding issues in their local community, or to put forward suggestions. Your voice needs to be heard so that Council can be informed on local issues.

We are anticipating that some residents will have taken the opportunity to leave feedback with Council regarding the 2019-2020 Proposed Budget before the 29th May closing date. The hearing for these submissions is to be held at the Community Hub in Maryborough on Tuesday 11th June at 5.30pm. Your attendance at this hearing is encouraged.

There will be more discussion on the Proposed Budget at our next meeting, which is to be held on Tuesday 4th June at the Community Hub, Burns Street, Maryborough at 7.30pm. We welcome everyone to our meetings; you do not have to be a member to attend.

Please address any questions to:

Winter is here! It's a great time to get crafty, pick up some skills or try something new. Here at the Hub our core group of community artists are a very talented bunch and love to gather and create. On Mondays we always have a fire for mosaics in the morning. It's such a shame to waste a warm room, so we have discussed having craft gatherings on Monday afternoons following mosaics. Folk can stay and continue to mosaic, or there could be sewing, spinning, felting; actually any art/craft practice. There is plenty of room to spread out.

The Craft Exhibition is coming in July on 13th and 14th, so if you would like to come and hang out at the Hub on Monday afternoons and create some craft — everyone is welcome.

Hoping to start our Crafty Afternoons on June 10th.

See you there.

Lynda

On 2nd June Joy Turner will led us in our Communion service with Julie Ramsay.

The UCAF will hold its meeting at 10.30am on Thursday 6th June. Kathy Moir will led us on our "Women of the Bible" study with 'Naomi'. Our activity is to wear our favourite winter garments. Please bring a small plate of afternoon tea to share.

There will **NOT** be a car-boot sale on Saturday 8th June as it is just too cold!

On 13th June we will hold a Service at the Dunolly Hospital at 10.30am. Anyone can come to this.

In the Op Shop we have our winter stock on the racks and are putting out new stock every week; so come in and see what is available in men's, women's and children's wear. China, glassware and much more fill our shop, and some furniture too. Rev. Gordon Wild is away in England, so will not be available for a while.

The Op Shop is open on  
 Tuesdays from 9.30am to 2pm  
 Thursdays and Fridays  
 from 10am to 4pm

**Uniting Car Boot Sale**

There will be **NO** Carboot sale during the winter months of June and July; commencing again in August.

The Op Shop has a range of warm winter clothes and also a range of furniture, including a four burner barbeque for \$50.

## Display puts service men and women in the spotlight

Local service men and women who survived WWII are being remembered at the Central Goldfields Visitor Information Centre this month.

Twenty-three life size banners bearing photographs of WWII personnel from the region are now on public display at the centre for the first time. The photographs come from author Michael Grant's Homecoming project, which includes two books filled with the stories and historical photos of local service men and women from WWI and the more recently released WWII version.

Central Goldfields Visitor Information Centre visitor services team leader Lee Duffin said she is proud to have the banners on display.

"The photographs are from the Homecoming book and this is the first time they've been exhibited in this space," she said.

"It's a phenomenal display, it's a nod to the history that's made the town. The families of these people can come in and see their history and reflect on their own memories.

"It's also a really celebratory display because all the people in it came home from the war. We often remember the people we lost, so it's really nice to be celebrating those who returned."

Ms Duffin said the exhibition has already attracted attention, including from the descendants of those in the photographs.

"We've had some gorgeous stories from descendants who have come in," she said.

"We have a photograph of a local soldier, Roy Walker, and his son came in and told us the story behind the photo. Roy was on the train to go to the army before it departed, and his sister asked the commanding officer if Roy could get off the train so she could take one last photo. She told the commander it might be the last time she ever saw him, so he let Roy off the train for the photo."

Ms Duffin encouraged everyone to come and view the free exhibition and said Homecoming: Second World War Soldiers of Victoria's Central Goldfields books are available for free at the information centre.

The exhibition will remain at the information centre until Thursday, May 30th.

## Stories from Cynthia

Wamba was the name of our family home which was built by our grandparents and later became our home. As kids, we loved visiting Wamba, with its big rambling garden. There was a little laneway down the side and round the corner all down the back of the house, which continued on behind all the houses in the road. All along this boundary was a huge hedge, very high and thick, so it must have been a mammoth job to keep it trimmed. There was a large, square brick Incinerator in the far corner of the back garden and we kids often had fun burning sticks and rubbish in it when no one was looking. We'd need a permit now.

In the summer, when the loquat tree was loaded with ripe fruit, we would climb the terrace fence and lie on the shed roof and eat loquats until we were bursting. One never hears of loquats these days.

In grandparents' day there was a switchboard in the scullery with lights and buzzers, designating all the room numbers in order to summon a maid for one's needs. The best fun was a game we played where one person hid in one of the rooms, then pressed the bell and the person watching the board had to find the right room and search for the one in hiding. Unfortunately when my family moved into Wamba my father had the board and bell ringers removed.

In the dining-room there was a pianola which had been played many times by my uncles and aunts when growing up in the twenties. The old rolls were still in the piano seat and we had great fun yelling at the tops of our voices, madly pedalling to songs like "Your are my diddums sweetie pie" and "Making Whoopee" and meaningless "do whattie do" words.

There was a billiard room with a beautiful parquet floor and in our teenage years we would have friends around for tournaments. When my brothers' friends came I was allowed only to operate the scorer on the wall and make them snacks, but never allowed to join in the games. The age of sexism was alive and well back then.

There was also a chauffeur's room attached to the garage, but alas we didn't have a chauffeur; however, in later years it became Henry's study. My brother Robert was a whiz at electronics and long before sophisticated devices were invented, he devised a system to run a lead between the house and the study with speakers and earpieces to tell Henry if dinner was ready, or maybe a phone call.

We all loved Wamba. When finally sold, the new owners put in a tennis court and a swimming pool. How boring.

**Around school this week:**

**LIGHTNING PREMIERSHIP**

Tomorrow our year 3-6 students are heading to Maryborough to compete in three different sports. This is part of our Health and PE program and a great day of participation for all. All students need to be at school ready to leave by 8.50am. Please ensure they have warm layers to put on and take off when competing, a drink bottle of water and usual healthy food for the day. We ask parents please don't supply any other children with food/treats or drinks as some parents don't wish for their children to have such items. Parents are welcome to come and support and if taking children after their events please ensure the teacher in charge is notified.

**BUILDING WORK**

Our upgrade is nearly finished in the main building with a few minor touches happening over the next few days. The final stage will be the junior learning deck which will begin construction during the next school holidays to minimise disruption to classes. Thank you to everyone for your patience during this time.

**SUSTAINABILITY SUMMIT**

Mrs Gibbs has taken our Ecos and SVC President to the Sustainability Summit in Bendigo today and we look forward to hearing of ways we can increase our sustainability at school.

## WUNDERFOL CRYSTAL SHOP

### Are You Feeling Stressed?

#### Give Yourself the Chance to De-Stress

Einstein said, "Everything is Energy". Basically, read everything is frequency. Much like the snake bite, the antivenin is the venom of the snake, and each crystal acts as an antivenin to any condition. Match the frequency and you ease or dissolve the condition.

When certain crystals are combined, this amplifies energy to achieve successful results. It's just a matter of knowing which crystals can be combined to harness your desired outcome. We at Wunderfol have done the work for you with our crystal kits.

Each kit contains four crystals specifically chosen to assist in the condition, whether it be the physical body, emotional, or mental state and even certain circumstances. Here's one of them:

#### DE-STRESS KIT

Each crystal is chosen for its vibration and purpose to assist this requirement.

*Smokey Quartz* — relieves stress and depression, encourages calm.

*Moss Agate* — helps overcome stress and inner anger.

*Milky Quartz* — an emotional stress relieving stone; it brings in harmony and help calm depressive or agitated states.

*Aquamarine* — helps to release grief. A soothing, calming stone that will provide comfort.

These kits can be kept in your pocket, bag or wallet.

Place it near you when you go to sleep on the bedside drawer or under your pillow.

We also have Foot Bath Teas that contain a crystal to help with various conditions. Just like a teabag in a cup, this is for a foot bath. You can soak in it and absorb the benefits. "Calm & Peace" is a great way to topically absorb the nutrients for De-Stressing.

*Restore the Divine* already inherent within you. YOU really are Wunderfol!

**BEALIBA CWA UPDATE**

May has been a busy month, what with our International Day celebrations and the East Wimmera Group Fun Day. Whilst our shared lunch on International Day might not have been big on Icelandic cuisine it was certainly delicious. After lunch we hosted the Bealiba Primary School students and their teachers. The students' presentations on Iceland were very well received and showed a lot of evidence of care and thought. In particular, we were very impressed by the dioramas which included a Viking long boat and a working volcano (very spectacular as it spewed red lava). The students were most competent (even the Preps) and all spoke well on various aspects of Icelandic life. Thanks also to our International Officer, Barbara Douglass, for her power point presentation. I'm sure we are now all better informed on Iceland.

The East Wimmera Fun Day took the form of a cooking demonstration in the morning followed by a movie (Poms) in the afternoon. Our own Chandra Dutt cooked a traditional Chicken Indian Curry (minus the chilli) which was absolutely delicious and much admired. Group President Sharon Douglas made the naan bread (very nice too) and Val Lee from Birchip gave us some tips on how to make prize winning scones. At the end of the demonstrations, we all got to sample everything. It really was a lovely morning and enjoyed by all. I confess I wasn't all that enthusiastic about seeing Poms but actually it was rather nice and capped off a very pleasant group function.

**Liberty Swing shade structure now finished**

The Liberty Swing shade structure is now complete, thanks to the generosity of the Maryborough Lions Club. At a cost of \$12,500, the Maryborough Lions Club provided funds for the shade structure to cover the Liberty Swing – which the Maryborough Lions Club also funded.

The Liberty Swing is located at the Adventure Playground in Princes Park and is specifically designed for mobility-impaired children and adults, and accommodates wheelchairs.

Central Goldfields Shire Administrator Karen Douglas said the Liberty Swing is a wonderful initiative and the shade structure complements it well.

"Congratulations to the Maryborough Lions Club for undertaking this project. The Liberty Swing is hugely popular and now children and adults will be able to enjoy it without the glare and heat of the sun or dampness from rain."

Maryborough Lions Club President Lorraine Parker said the Club is extremely pleased the project is finalised.

"We are very proud of what has been achieved and thanks to all those who have contributed in any way to this venture for the use of members of our community and visitors to our district," she said.

"Our sincere thanks go to the Central Goldfields Shire Council for assisting us with the realisation of this project."

Access to the Liberty Swing requires a universal key which provides access to every Liberty Swing nationwide.

Keys are available from the Maryborough Lions Club bookshop, the Maryborough Caravan Park and Central Goldfields Visitor Information Centre.

### U11.5

Unfortunately, the scoreboard didn't go our way today with Navarre kicking quite accurately early on and putting on some quick goals, despite our young eagles having the ball in our forward line quite often. The past two games we have played the 1st and 3rd placed teams and it's been a great challenge for our young eagles. The most pleasing thing about today's performance was in the last quarter where we completely out-played them, when it would have been easy for the team to drop their heads. The Dunolly Football Club is very lucky/fortunate to have such a great bunch of kids pulling on the jumper each week. It was a hard game with some quite disgusting behaviour from a certain opposition player. The Young Eagles are certainly heading in the right direction.

#### Reserves

After a crushing loss to Talbot the week before, the reserves came out and showed some heart against Navarre. The boys fought hard all day with the battle going on around the ground pretty even. The inclusion of youngster Lane and previous best and fairest winner Michael Damen put some life into the team, but unfortunately Navarre proved to be just too good walking out 81 point winners. A lot of green shoots for the reserves side; now time to get back on the training track and doing some fine tuning. Hopefully we can come back stronger next week and get the win over a struggling Royal Park outfit.

Jarrold Loader

#### Seniors

Was a tough day at the office against a strong side in even tougher conditions. Promising signs from some new faces to the senior line-up, Sam Sheppard took some strong marks and competed well in the air and Ike Ryan showed he is a class act and dangerous in front of goal. Once again there's a lot of work to do. Navarre was a much fitter outfit and moved the ball with precision. We got better as the game went on and finished strong. We need to start the game with the same attitude and work rate we showed in the last quarter and the results will come.

## Fund Raiser for Cancer Council

Moliagul Ladies are holding a fun day at the Moliagul Hall [old school] to help raise funds for the Cancer Council Research Centre.

It's not a big morning tea or a big afternoon tea. It will be a nice luncheon, on **Wednesday 5th June** starting at 11.30am. Entry is \$10. Please come along; bring a friend and some extra cash so you can join in on the mystery bottle auction, the guessing games, then the main auction. There are many interesting items. Gents are also welcome. To assist with catering please call by Monday 3rd June. Margaret — 5469 7257 Lyn — 5469 7277. Remember this is all for such a good cause. Hope to see you there. *PS:* The wood raffle at the May Car Boot Sale was won by Henry Deason. Hope your Mum and Dad were very happy. Congrats! Lyn, Margaret, Stella.

### Under 11s

11s are improving each week and it's great to see their enthusiasm. Charlotte Smith has shown a huge increase in confidence this season and had a great game in defence and goals. Charley Martin was very consistent in WA demonstrating the hard work put into her shoulder passing. Brianna Lovel started well in goals and also gave great drive through the middle while Cooper Willoughby gained many intercepts. Final score Dunolly 8 to Navarre 3. Incentive this week went to Charlotte Smith.

### Under 13s

This week the 13s all had an amazing game. There were quite a few position changes throughout the game, and everyone adapted to this and played one of their best games so far. There was great ball movement throughout the centre of the court and both defensive and attacking ends put in a great effort. Everyone's hard work ended in Dunolly winning the game.

Final score Dunolly 42 to Navarre 1.

### Under 17s

It was a tough-fought game for the under 17s, just sneaking through with the win. The girls worked hard all game, but a few passages of play nearly let them down. Grace Brady lead the way into attack to help the team get over the line. The girls still have a lot to work on, but with some fine tuning at training they will be back on track next week. Final score Dunolly 29 to Navarre 25.

### C Grade

Dunolly came out with heads held high and won all four quarters, keeping intense pressure on the ball at all times. Final score Dunolly 29 to Navarre 25. Best on went to Eliza Turley and Grace Brady.

### B Grade

B Grade girls came up against a very strong Navarre side and unfortunately couldn't get the points this week. Final score was Dunolly 22 to Navarre 40.

Shelby Earl was awarded best on for a great captain's game. Showing beautiful movement in the ring and constant talk and encouragement.

### A Grade

A Grade girls had a great win this week. Everyone played a wonderful game, showing great court flow and whole court defensive pressure. Final score Dunolly 56 to Navarre 23. Charlee Gidley was awarded best on for an outstanding game in defence, shutting down her opponents all game. Ashlee Lierich was also in the best with a strong defensive game, taking multiple intercepts all over court.

We also thank all our sponsors who took time out of their day to come along and enjoy a morning of sunshine before the rain set in in the latter half of the day. Thank you for your continued support of the Dunolly FNC. One of our sponsors, Mortimer Fuels took out first prize in the raffle winning a two night stay at the Rostrata Country House. Thanks to Colin and Dot Silke. Second prize being the Maryborough IGA hamper went to one of our local netballers Hannah Kenny.

For our next match, we take on Royal Park for a Sunday showdown on 2 June 2019 at Hedges Oval. We welcome everyone back to the Maryborough Golf Club after the game for a meal where match reports will be given and incentives also awarded. Also don't forget to book in your trivia night tables for 8 June! A couple have already gone! Contact Shelby Earl 0419 858 004.

At the Bealiba Hall

Kitty seemed to be finding her way off the end of the mat several times this week.

Despite this the team of Joe Battison, Shirley Coburn and Chris Evans managed three wins with the team of Betty Lovel, Gordon Smith and Lyle Streeter hot on their heels with two wins and a loss.

Chris Evans

On the evening of Saturday the 25th of May, Kokoro Kai Karate head coach, Peter Jackson and four competitors, Troy, Leah, Tyson and Susie, along with their families, attended Karate Victoria's Official State team presentation evening in Melbourne.

Leah McCoy, father and son duo Troy and Tyson Hoban, and Susie Oh, all from Kokoro Kai Karate in Maryborough-Dunolly were all named representatives of the 2019 Karate Victoria State Team who will compete at the National Karate Championships in Tasmania in August.

Leah will compete in 12-13 year old girls, Tyson 12-13 year old boys, Troy 35y/o - 45y/o, and Susie Veterans 46+ years.

This massive achievement comes after many hours spent training and competing at Elite Tournaments throughout the year so far. Troy and Susie attended the 2018 Nationals and represented Victoria, but for Leah and Tyson, this will be their first time competing at Nationals. This is a massive achievement, no matter what happens over in Tasmania. To be competing at a National level is an achievement in itself!!

**Sunday 26th May**

All four competitors along with three other club members competed in round two of the National All Styles competition in Melbourne. Leah once again had a strong field of 12 black and brown belt competitors, but did well to come away with a gold medal. Tyson was faced with ten other opponents, and had a convincing win, confidently placing him in first place.

Zach Lynch grabbed third in his division. Zach's efforts on the day were a stand-out, getting him a bronze medal (his first win at this series of tournaments). Caitlyn Ray secured second place in her division. Susie Oh won gold in the female 6th Kyu (green belt) to 1st Kyu (brown belt) division, as well as a silver medal in weapons. David Nichols came in a 5th place, in a tough competition amongst other black belts, while coach Troy Hoban came in 4th place in the same category.

All competitors have their sights set on spending as much time on the tatami as possible, especially Leah, Tyson, Troy and Susie as they work toward honing their skills before Nationals in Tasmania.

This group, especially the younger members, are proof that a healthy mix of hard work, determination combined with a love and passion for their chosen sport can really achieve anything. The sky is the limit and we wish them all well as they strive to obtain goals beyond their wildest dreams.

For a club of 50-60 members to have seven competitors is fantastic, and to have four of them represent our state at National level is an outstanding achievement and one that head of style Shihan Peter Jackson is very proud of!

It is a rarity to find small Karate clubs in the country who have not one, not two, but *four* of their members on the State Team in the Australian Karate Federation. The Australian Karate Federation is the only stepping-stone for those wanting to compete overseas in World Karate Federation tournaments, such as the World games.

Who knows, maybe one day in the future someone from right here in Dunolly or Maryborough may make it onto the World Stage in Karate! The sky is the limit!

Stacey McCoy

### Dunolly Garden Club — visit to St Erth

Jan and Janine enjoying the day

On the first really wintry day of the year, eight members of the Dunolly Garden Club ventured south to the garden of St Erth at Blackwood. The trip turned up a surprise in the form of snow just out of Daylesford. Unfortunately our bus driver, Jan, refused to stop for some snow play, which was probably just as well as none of us had come with waterproofs.

The garden of St Erth is one of two 'Diggers Garden Club' gardens. It was established by Tommy Garnett in the 1970s and purchased by 'Diggers' in 1996. Like much of the land around Dunolly, the site of the garden was on mining rubble thought to be completely unsuitable for a garden. The Garnetts obviously knew what they were about and the garden is now full of exotic and unusual established trees and shrubs. Many of the perennial borders, so colourful in spring and summer, were past their flowering glory, but there was still plenty of interesting autumn colour to see. Unlike Dunolly, the high rainfall of Blackwood means the garden is full of lush, thriving plants. Many of us looked longingly at Camellias and Hellebores with a regretful sigh!

Fortunately the rain held off just long enough for us to stroll through the extensive garden and to make some carefully-chosen purchases in the nursery section. Diggers specialises in saving heirloom seeds and St Erth also has an extensive range of vegetable and flower seeds.

After a very hearty bowl of soup, some delicious hot chocolate and scones in the wonderful café, we headed for home after a thoroughly enjoyable day, despite the cold. Many thanks to some

excellent driving by our bus driver Jan, who got us safely there and back again through the rain.

If anyone would like to join our future excursions and activities, we would love to have more members. Keep your eye on *The Welcome Record* for meetings and events on the last Monday of each month.
